Library Tickets Given to Firemen

Members of Asheville Department Express Their Appreciation.

[Special to The Times-Dispatch.]
Asheville, N. C., March 31.—A rather unusual gift to members of the Fire Department has been received by the local companies. C. Brewster Chapman, of New York City, formerly an Ashevillean and a great admirer of the men who fight the blazes here, having instructed Chief James Wood to furnish the men with ten season tickets to the Pack Memorial Library. As a result of these tickets, the firemen will be able to keep a large number of books at the hall at all times and their quarters will be freely supplied with the latest books from the library. Mr. Chapman's gift has been acknowledged and a great deal of interest is being shown among the firemen in the books which will be distributed. The department has pool tables, a grammar and other places of amusement, and the addition of standard books to the reading room will prove of great interest to the firemen.

[Special to The Times-Dispatch.]
Winchester, Va., March 31.—May will be a month of much military activity in Winchester and vicinity. The annual school of instruction for all the commissioned officers of the Virginia Infantry organizations will be held in a large field in rear of the Winchester Inn, for which extensive arrangements are now being made, and it is expected that about 250 officers will be in attendance, as well as twenty-five officers of the United States Army, the latter being in charge of the study of military tactics. The camp will be located on ground which was built fifteen years ago. The school will be held for ten days, beginning May 20.

The annual outing of the Sixth Pennsylvania Cavalry Lancers will be held on May 11-13. Practically two days will be spent in Winchester and vicinity, and the third day will be spent at the camp near Leesburg, Va. Over 100 veterans and their families and friends will make the trip in special cars from Philadelphia and return.

Following the Pennsylvania veterans will be the survivors of the Thirty-fourth Massachusetts Regiment, who came from Boston and dedicate a monument to the memory of their comrades who fell in battle in and around the city during the Civil War.

Many social functions are being planned for the visiting soldiers and veterans.

According to authenticated reports received here by prominent Democratic leaders, there will be no opposition within the party to Representative James H. Hay, of the Seventh Congressional District of Virginia, and it is generally conceded that Mr. Hay will be elected to succeed himself by a large majority.

The Republicans have nominated Delegate Harman, of Rockingham county, but the re-election of Mr. Hay is a foregone conclusion.

Diligent search has been made, but it is generally believed that the late county clerk, Mr. Silver, of Frederick county, has not been located. A letter has been sent to the Circuit Court, several years ago Mr. Silver sold all his real estate and invested his money in bonds and securities paying good interest. The value of the estate is about \$40,000.

The fortieth anniversary of the United Brethren Church in Winchester was celebrated to-day with special services. The pastor, Rev. H. E. Richardson, celebrated his twentieth anniversary as a minister of the gospel. The services were attended by large congregations and visiting ministers and pastors of Winchester congregations extended greetings to Pastor Richardson. The local church, which is one of the best of the denomination in the city, has a large membership, and the members contribute freely of their means to the support of the various branches of the church's work. Some of the ablest ministers of the United Brethren Church have served as pastors here.

There is now a general scramble in Frederick county for the position of sheriff, which has been made vacant by the death of John M. Silver, who had served less than three months of a term of four years. A large number of candidates are in the field, and Judge T. W. Harrison, of the Circuit Court, has promised to appoint the candidate receiving the largest number of votes cast in an advisory primary on April 6.

The Democrats of Frederick county have been called by the Executive Committee to meet in mass-convention on April 12 for the purpose of electing delegates to the State convention, which is to be held in Norfolk on May 23.

The Civic League, which was recently organized with the avowed purpose and intention of keeping Winchester clean, has been made vacant by the death of John M. Silver, who had served less than three months of a term of four years. A large number of candidates are in the field, and Judge T. W. Harrison, of the Circuit Court, has promised to appoint the candidate receiving the largest number of votes cast in an advisory primary on April 6.

Relatives here have received intelligence of the death of Mrs. Harriet Patterson, daughter of the late Dr. J. H. Patterson, who died at her home in Bridgeport, Conn., where her family has been prominent for a number of years. Two

Balance of Sum Needed to Erect Bridge Across James River.

[Special to The Times-Dispatch.]
Powersville, N. C., Va., March 31.—An interesting meeting of the Board of Supervisors is expected on Monday, when the members of the bridge movement committee, which it is hoped will be erected across the James River at Powersville, Va., will be held.

For years the citizens for miles around Powersville, a little village not more than a mile from the ferry, have endured the suffering of inconvenience and less of the basic necessities of life. A bridge movement, composed of large taxpayers and substantial citizens, about a year ago solicited private subscriptions to a large amount, and appointed a committee to wait on the Board of Supervisors. The committee submitted a plan of erecting a bridge, at a cost of \$35,000, of which amount Powersville was asked to contribute \$5,000. This matter will be considered, and it is thought that favorable action will be taken by the supervisors.

The Powhatan Fair Association, Incorporated, will meet on Monday to elect officers for 1912.
